Kindermusik®

Since the late 1970's, Kindermusik has provided children with a broad-based, eclectic music experience. Over 3000 licensed Kindermusik educators worldwide currently reach tens of thousands of children. By encouraging children's creative and musical development, it builds a foundation for further music study. Kindermusik focuses on process rather than performance, thus nurturing the total development of children. This child-centred approach is carefully structured to reflect your child's age, stage, and special needs.

Our Kindermusik Teachers

. . . belong to a supportive network of over 3000 licensed Kindermusik professionals teaching in studios all over the world. Our curricula have been designed by experts in the fields of Early Childhood Music Education and Child Development. We offer the most progressive music education available - always accomplished in a fun and nurturing environment by highly qualified and caring teachers.

Maritime Conservatory of Performing Arts

MCPA offers an accessible and comprehensive program of music, dance and early childhood instruction accommodating students of all ages and levels of ability. We provide a quality of education designed to inspire a lifelong interest in the arts, whether for personal enjoyment or a professional career.

Kindermusik®

a good beginning
never ends

Kindermusik encourages early learning and creativity in children from birth to 7 years of age.

Music is the means, not the goal.

The goal is a more alive, creative,
and able child.
