THEORY EXAMINATION INFORMATION

Theory examinations will be offered for levels Prep to 5. Levels Prep to 4 will be 30 minutes long and Level 5 will be one hour long. These examinations are based on the new RCM Prep to Level 5 theory books, which are for students of all instruments and voice. These examinations will complement the same level as their practical examinations. For example if a student takes their level 1 piano, violin or voice examinations they can also take their level 1 theory examination and they will receive a complete level 1 certificate. This is not a mandatory co-requisite, but rather a way to encourage both teachers and students to complete their theory studies as well as their practical studies at the same time, in whichever field they choose to study.

ALL TUITION payments must be up to date before exams may be taken
